Season of Creation September 2026 Throughout the month of September, our parish joins Christians around the world in celebrating the Season of Creation. This year's theme is "Living Water", reminding us that just as water brings life to the earth, God's love brings new life to our hearts. During these weeks, we will reflect on how we are called to care for God's beautiful creation and to become sources of hope, healing, and life for one another. May this special season help us to see the wonder of creation with fresh eyes and inspire us to cherish the gift we have been given.

Heavenly Father, I pray that as the summer fades and the shortening of days begins in this autumn season, please be with the prayer requests that are on my heart and mind.

As the God of creation, you know the details of all the situations, even if I do not. You have ordained a time for everything, and a season for every activity under the heavens. Help us to appreciate this season that You have designed. As the fading of the summer sun says goodbye and in the morning chill frost's first kiss touches barren fields let us draw close to you
