*Heavenly Father, I pray that as the summer fades and the shortening of days begins in this autumn season, please be with the prayer requests that are on my heart and mind.*

*As the God of creation, you know the details of all the situations, even if I do not. You have ordained a time for everything, and a season for every activity under the heavens. Help us to appreciate this season that You have designed. As the fading of the summer sun says goodbye and in the morning chill frost's first kiss touches barren fields let us draw close to you in our quiet time.*

*As the chill of autumn comes, please be with those who could use the blessing of a blanket, and help me be thankful for that blessing.*

*Please bring us each to a place of comfort in You, O Lord.*

*In Jesus' Holy name I pray, Amen.*
